禱告事項

為宣教禱告—以馬內利福音中心

1. Pray for EGC's Boston Education Collaborative and our continued work with the Boston Public School system. Pray for fruitful relationships between churches and schools. Also pray for the after school programs in Boston to continue to strengthen and serve students and families. Specifically, you can pray for Greenwood Shalom afterschool program that shares the same building with us.
2. Please pray for EGC's Intercultural Ministries as they continue supporting Immigrant leaders and families. The Intercultural Ministries team has been supporting Refugee & Immigrant Assistance Center (RIAC), a refugee-led resettlement agency to serve Afghan arrivals. At RIAC's request, we recruited host families, mobilized volunteers, and encouraged people to donate specific items. IM recruited and trained volunteers to provide other support requested by RIAC. Many of these refugees have been in country for almost a year, and there continues to be ongoing social and medical needs. Pray for the settling refugees, the organizations that support them, and the volunteers that are supporting these efforts.

3. Pray for our communications and content team as they work to tell the story of what God is doing in our city. Pray for the articles, email publications, and video productions being created. We desire for God's voice to be heard, and the city to be encouraged by what is happening in our region.
